DEDICATION

This Edition of
THE VARSITY NURSE
is dedicated to the
Students in our school
in the
DEGREE COURSE FOR GRADUATE NURSES.

With their courage in returning
to an academic community,
THEIR FORESIGHT IN THE NEEDS
of the Nursing Profession,
THEIR MATURITY AND THEIR ENTHUSIASM
They give a fine stability
To our School of Nursing

PRESIDENT'S MESSAGE

University means different things to different people. To some, it is a place to further one's academic career; to others, it is a place of preparation for a professional career; and to others it is the above, combined with a desire for a broader education in many fields. It is the latter upon which I will elaborate.

The University of Toronto is an immense complex of buildings, faculty, students and other community necessities. However, added to this is the spirit of the University, the binding link between the various colleges, faculties and schools. Some never find this spirit; others find a spirit within their own school or college; and still others feel a part of a larger whole, a living part, contributing to make the whole a better, more dynamic, all-pervading feeling which can reach out to everyone.

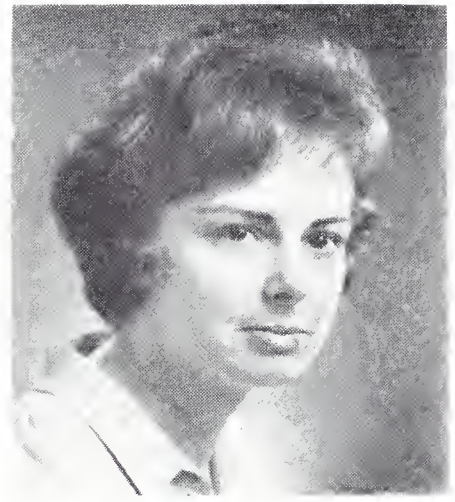

To the graduating class of 6T5, these comments will seem self-evident. As with any organization or group "You only get as much out of it as you put into it." It is in this way that one receives the broad liberal education so highly regarded by our School.

We are now embarking out into the world on our own. The world is only as large as you make it. I trust, in future years, we will be able to look at each other and say "The world is immense. Each day I seek to find and explore a little more." The search started in infancy and has grown as we have matured. Let us not feel that after University there is nothing more.

Margaret Kenzie

MARY FILMAN

VALERIE HOPKINS

Here's the "Varsity Nurse" with a brand new look
A little bit changed but it's your Yearbook
We hope you'll enjoy it, and always employ it
To boast of our old S. of N.

One must not get the erring impression
That the following is some sort of confession
But we want you to know, that time was our foe,
And to make one like this wasn't easy.

We couldn't have managed without some support
So to B. Hardie, N. Coles (who held the monetary fort),
And class reps, picture takers, good actors and fakers,
We give you our most sincere thanks.

DIRECTOR'S MESSAGE

This is a period when your profession is under close scrutiny. It is a time of challenge and great responsibility. It is also a time which calls for persons capable of independent thought based on thorough knowledge.

The discipline learned in a university community will serve you well to meet the challenges offered by your profession. No progress would be made were it not for a nucleus of people who are never satisfied with the average. Do not accept mediocre standards or achievements, do not sacrifice fundamentals for the needs of the moment. Exercise your knowledge, awareness and independence to seek truth and act courageously. It is this that your profession needs.

The staff join me in extending good wishes to the members of the graduating class.

Helen M. Carpenter,
Director

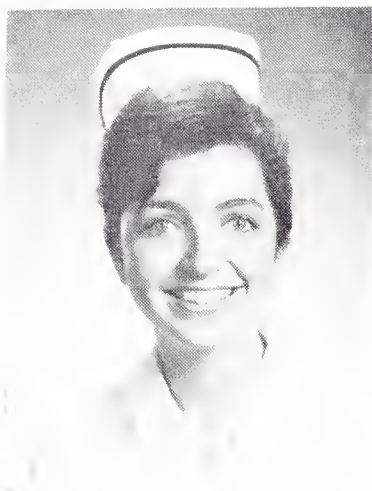

BASIC DEGREE – CLASS of 1964

Arleen Adams, (Mrs.)	Oshawa, Public Health

The
Graduating
Class

1965

PAT ADAMSON (MRS.) — Pat has contributed greatly to our organization of social functions. In her third and fourth year she worked hard to make the formals the most successful ever. In her last year Pat combined social activities and marriage very successfully and next year plans to enter the field of mental health.

LINDA BEALE — During her sojourn at S. of N., Linda's duties as assistant matron at St. Mildred's College and a member of the Canterbury Council have kept her busy. After graduation Linda hopes to nurse in the North-West Territories, or the Yukon in an Indian or Residential School.

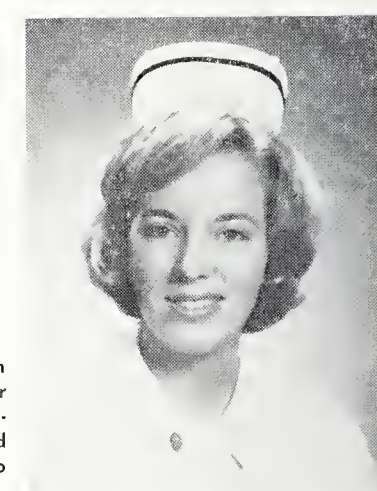

HELEN ALLEN — If one wants some thoughtful advice or a listening ear, Helen is just the girl to help. Her activities have included C.A.S. representative II, Yearbook IV, SCM Psychodrama III, and class vice-president IV. Helen plans to do Psychiatric nursing after graduation.

DONNA BILLINGS — Donna attended Richview Collegiate and at S. of N. was Yearbook representative (II and III); V.C.F. Publicity (II) and International Committee (III). Donna plans to work with V.O.N. next year.

RUTH AMIEL — Ruth has contributed a great deal to the Drama Societies of both the S. of N. and U of T. This year she was chosen to attend the drama festivals in the States and Quebec. Ruth is also an excellent bridge player and top student. Next year she plans to nurse in the field of mental health.

GAIL BROWN — For Gail, nothing is too much trouble if someone needs a helping hand. Her activities have included the Blue and Gold Society (III and IV) Varsidettes, her sorority and Class President of fourth year. Gail plans to do pediatric nursing after graduation.

ROSEMARY DICKENS — Rosemary came to us from Windsor and here she participated in the SCM Psychodrama (III) and was class social representative (IV). Next year the children at the Hospital for Sick Children will benefit from this nurse's friendly and relaxed manner.

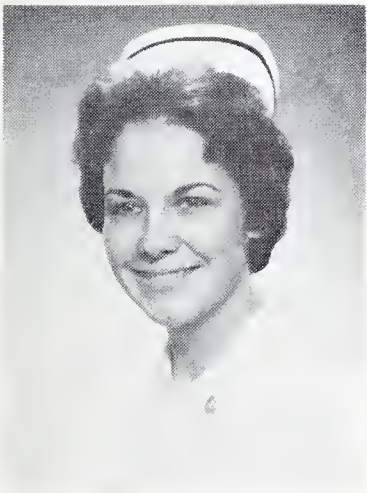

LYNN HARRIS — One of the most cheerfully industrious people in existence, Lynn when not pursuing her studies has participated in the drama club (I) and in the Varsity Nurse (II). Upon graduation Lynn will be working with the London V.O.N. and looking forward to her forthcoming marriage.

JONANNE FENTON (MRS.) — Able to see the best in everyone, Jonanne is seldom seen without a smile. Her activities have included volleyball and basketball (I, II, III), class president (I), secretary (II) and second vice-president (III) of the Undergraduate Association Council, Jonanne will do psychiatric nursing after graduation.

WENDY HERGERT — In her fourth year at S. of N. Wendy has contributed in making all the skits and songs of 6T5. Original and humorous as a cheerleader in first year and as president in third, Wendy has always actively supported class activities while at the same time maintaining top marks. Wendy's future plans include public health nursing and marriage.

ELEANOR GEARING — Coming to the S. of N. from the teaching profession, Eleanor has distinguished herself as a conscientious scholar participating in V.C.F.T. IV and being S. of N. VCF president (III). Eleanor aspires to eventually do nursing in the mission field, location yet unknown.

MARGARET KENZIE — If there is a job to be done, Marg is always willing to lend a hand, even if she is busy with a dozen other things. Some of her activities in the past four years have included the Outing Club I to III, Yearbook I and II, Liberal Club, SCM Psychodrama, Toike Oike, S. of N. Student Council Vice-President, her sorority president. Marg plans to do psychiatric nursing after graduation.

EHA KULLI — During her years at S. of N. Eha has added glamour to our class. Her high fashion and high marks have been an incentive to us all. She has acted in many of the skits our year has presented — notably as a "patient from Queen Street." Her future includes V.O.N. and success.

ROSEMARY MOODY — A variety of interests have absorbed Rosemary's attention at U. of T. These have been: Sorority Basketball, Volleyball, T.S.N.A. secretary and President, S. of N. Undergraduate Association Council. Treasurer Van and Float Parade. Rosemary plans to do Medical, Surgical or Psychiatric Nursing after graduation.

MARGARET MCINTYRE — During her years at S. of N. Marg has been an enthusiastic sports fan, as well as a keen supporter of many other school activities. She was a cheerleader and athletic representative in first year, athletic rep. in second year and president of Athletics in third year — all this and good marks too. Future marriage and V.O.N.

FRANCES OGLETREE — Fran not only seems to get her own work done but always has a spare moment to help someone else. Her activities have included VCF Secretary-Treasurer, W.U.S. rep. III. Athletic rep. IV. Upon graduation Fran plans to do general duty nursing.

VIRGINIA MLADER — Ginny is a quiet girl but always has a good opinion to express. She has been a member of the Progressive Conservative Club III and IV. Ginny plans to do general duty in medical surgical nursing.

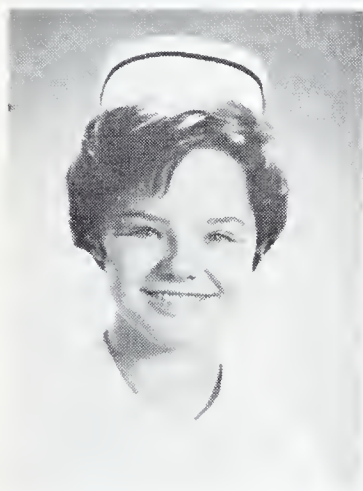

CAROL PETER — Carol hailed from Leaside High School and brought to the S. of N. class of 65 a bright smile and steady wit. She was a member of the VCF in her first three years and participated in SCM activities in her third year. Next year Carol plans to work for V.O.N., followed, perhaps, by nursing education.

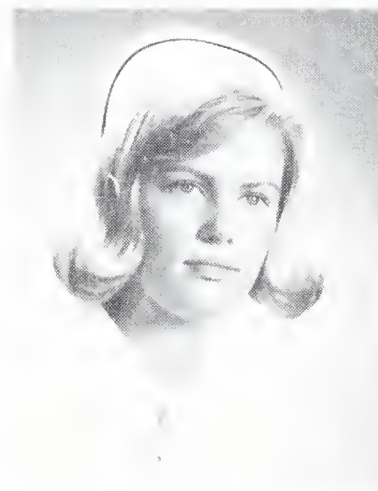

SANDRA REID — Sandy is from York Mills Collegiate Institute. She is an active bridge player (between essays) and her sense of humour makes her always welcome. Sandy's future plans include marriage, a year with V.O.N. then possibly psychiatric nursing.

RUTH SELF — Ruth has been active in the Varsity Christian Fellowship and is V.C.F. president this year. Next year Ruth plans to attend Bible College with mission work as her goal.

JUDY RUSSELL — Judy's activities have been varied at S. of N. Her interests lay with T.S.N.A. and her sorority. In the good old days Judy could be found playing bridge in the lounge, but desire for academic achievements is her new goal. Future plans include marriage and general duty.

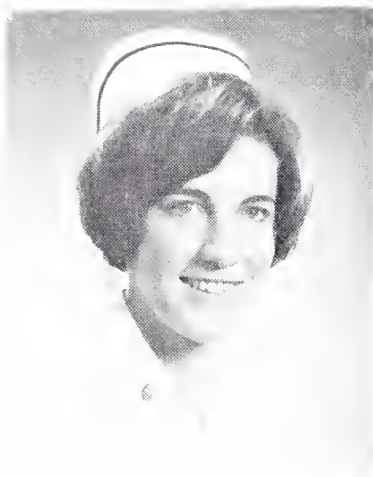

GRAZINA SLEKYS — Grazina's skill was the envy of the class during our obstetrical experience. She was a member of the Lithuanian Students' Organization I to IV and her future includes Medical Surgical Nursing.

SALLY SCOTT — Sally attended Loretta Abbey School prior to entering nursing at U. of T. She is an ardent curler and has been a W.U.S. rep. This year Sally was very active on the yearbook staff. Her plans for the future are indefinite although Sally is considering working in a Northern Community.

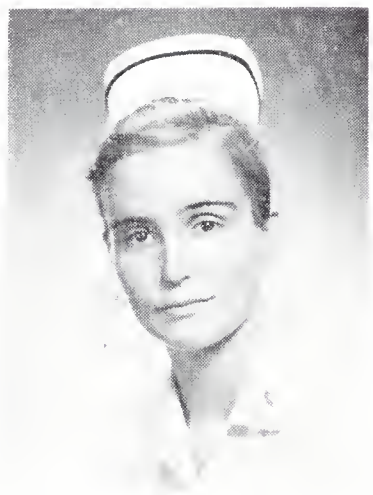

HEATHER SPENCE — A born leader and an active participant in many activities, Heather was a W.U.S. member for for years and during this past year our rep. to S.A.C. She participated in S. of N. sports during her first three years at University and still found time to be a member of S.C.M. After graduation Heather plans to do general duty nursing.

JANE WELSH — Jane, in her years at S. of N., has been very active in the Blue and Gold Society, and also in her fraternity. She served as president of both in her final year. Jane also combined skiing and bridge with hard work. After instructing our first year students during the summer Jane plans to journey west and combine travel with her career.

RUTH WILSON — Ruth came to us from North Toronto C.I. and here she has been sales manager for "The Varsity Nurse" III and class rep. in her fourth year. She was class president (II) and a member of the U. of T. Curling Club II and III. The public health field will prove an ideal place for this efficient and organized nurse.

JOCELYN WHITWELL (MRS.) — Charmingly eloquent and delightfully human, Jocelyn has devoted her talents to SCM I to IV, SCM Cabinet III, University Chorus I, W.U.S. II and III and S. of N. undergraduate council II and III. Jocelyn's future includes general duty nursing service.

JANET WRIGHT — During her four years at the S. of N. Janet has combined high marks with considerable activity in V.C.F. Positions in this group have included secretary III and nursing secretary IV. Janet's future plans include marriage and V.O.N.

MUSSY WOLGELERENTNER (MRS.) — Mussy has been a good friend to everyone during her years at S. of N. and staunchly refused to succumb to bridge and its effects. Instead, Mussy busied herself with the Social Committee and knitting a scarf for Cary. Marriage hasn't affected Mussy's good marks. Next year is undecided.

Graduates of the Degree Course for Graduate Nurses

T. ELIZABETH BENNET

Graduated from St. Michael's Hospital, Toronto; home in Toronto. Future Plans: Teaching at St. Michael's Hospital School of Nursing.

RUTH AIKEN

Ruth is a graduate of Hamilton General Hospital and her home is in Burlington. Her future plans include Public Health Administration in Toronto.

MARY BREVIK

Graduate of St. Joseph's Hospital, Toronto; from Cooksville, Ontario. Future Plans: Humber Memorial Hospital, Nursing Office.

DOROTHY B. BARTER

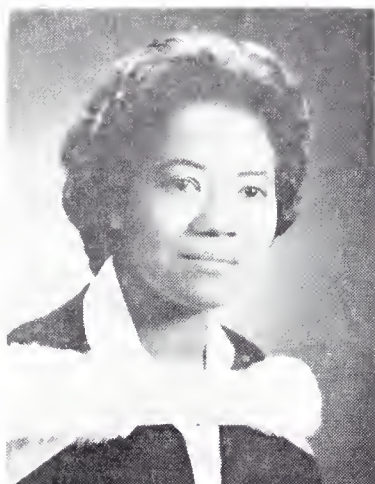

Graduate of Victoria Public Hospital, Fredericton, N.B. Future Plans: School of Nursing, Archer Memorial Hospital, Lamont, Alberta.

L. GWEN M. BROTHERSTON

Graduated from St. Joseph's Hospital, Toronto; home in Toronto. Future Plans: Nursing Instructor at St. Joseph's Hospital, Toronto.

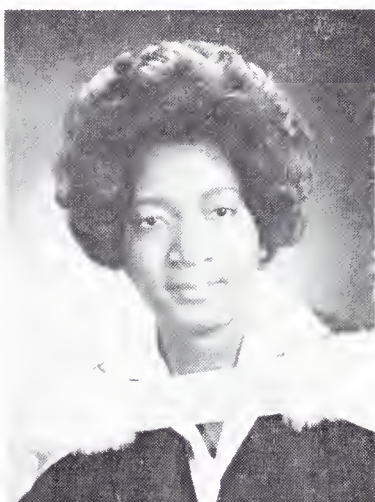

HAZEL M. CHUCK

Graduated from Kingston Public Hospital, Kingston, Jamaica. Home in Jamaica, W.I. Future Plans: teaching in the West Indian Training School for Public Health Nurses.

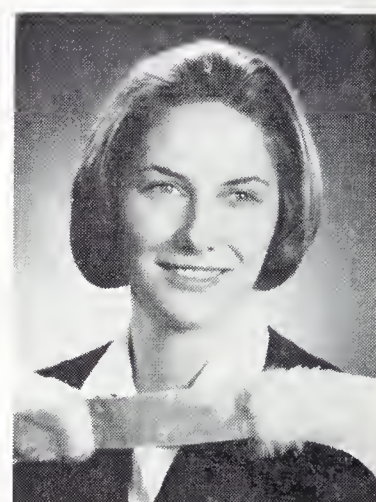

PATRICIA LEES

Graduated from St. Joseph's Hospital, Hamilton; home in Ancaster, Ontario; plans to do Public Health Nursing.

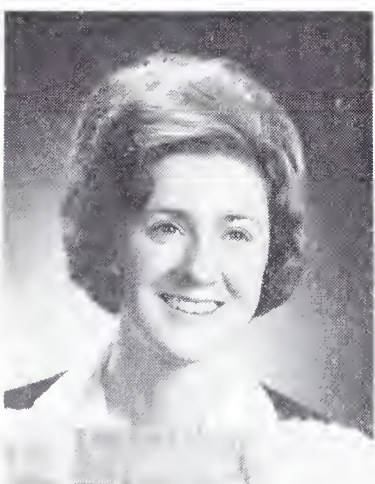

DOROTHY GENTLES

Graduate of Toronto General Hospital; from Barbados, W.I. Future plans include Public Health.

PATRICIA R. McLEAN (MRS.)

Graduated from Montreal General Hospital; home in Ottawa, Ontario. Future Plans: O.C.E. in summer of 1965; then High School teaching in the fall of 1965.

PATRICIA HOPE

Graduated from the Nightingale School of Nursing, Toronto; home in Port Hope, Ontario; plans to work with the Toronto V.O.N.

PATRICIA McMEEKAN

Graduated from Royal Victoria Hospital, Belfast, Northern Ireland; home in Belfast. Future Plans: to include teaching in Toronto.

ATHLETIC REPORT

This year has been a highly successful one for the School of Nursing in Athletics. We have participated in all the competitions on the interfaculty level with the exception of archery and swimming.

Field Hockey was introduced to the school: although few girls had ever played this sport before and practices and games were held at 8 a.m. We had two very enthusiastic and bruised teams. We hope to improve our understanding and skill in this sport by sending Jane Huntley and Shirley Jewel (both of degree 1) to Field Hockey Work Camp in Maine next September. The money for this project was raised through candy sales and voluntary contributions.

Basketball, always an important sport in the school, also received its usual support led by its three intercollegiate players: Vaugh Adamson, Connie James and Ann Zurrer (degree 1) the outstanding junior team defeated all comers, reaching the university semi-finals before losing a hard fought match to U.C. The senior team did not fare as well, seldom mentioning their record of no wins and six losses.

During the fall term Judy Arnup, Gladys Milne and Nancy Johnson entered the golf tournament at Don Valley, enjoying an afternoon of free duffing. Two students entered the tennis tournament and gained invaluable experience. We also had a team in the interfaculty bowling meet, and it placed fourth

behind PHE and two VIC teams. In this sport we had intercollegiate competition.

Ice Hockey began before Christmas with Nursing entering a wellrounded and enthusiastic team. Again, despite bruises and 8 a.m. games, the team has improved last year's record of no wins, 3 losses and 2 ties to 3 wins, and 2 losses with one game remaining. The team practiced weekly at various Metropolitan rinks, much to the enjoyment of the local boys.

Several evenings have seen the university nurses striving to prove their athletic superiority to the hospital nurses in Basketball and Ice Hockey. TEGH succumbed 4-0 in hockey and against Western Hospital, our girls played their best game in years, losing 3-2. (This was a major improvement over our 15-0 loss to them last year).

During the year we had two successful Athletic Nights, the nursing instructors being the centre of attention on Volleyball Night. We also had an outstanding Volleyball team and Curling Rink that competed in the consolation round of the tournament.

In closing I would like to say a sincere thank you to the members of my council this year. Without their wholehearted efforts, sports could not have progressed as they have in our school this year.

Judy Arnup (Degree III)

SPORTS

career opportunities
in **CANADA'S**
ARMED
FORCES
for **REGISTERED**
NURSES

Applications are now being accepted from Registered Nurses for enrolment as officers in the Royal Canadian Navy, the Canadian Army or the Royal Canadian Air Force for duty in the Canadian Forces Medical Service.

Interesting and challenging careers with opportunity for advancement are offered to those who meet the requirements.

You may qualify if you are—

- ☆ A registered nurse and a current member of a Provincial Registered Nurses' Association
- ☆ A woman under 35 years of age, single
- ☆ A Canadian citizen, or other British subject with the status of a landed immigrant

"YOU will be better women for the life which you have led here. But what I mean by 'better women' is that the eyes of your souls have been opened, the range of your sympathies has been widened, and your characters have been moulded by the events in which you have been participators during the past two years.

"Practically there should be for each of you a busy, useful, and happy life; more you cannot expect; a greater blessing the world cannot bestow. Busy you will certainly be, as the demand is great, both in private and public, for women with your training. Useful your lives must be, as you will care for those who cannot care for themselves, and who need about them, in the day of tribulation, gentle hands and tender hearts. And happy lives shall be yours, because busy and useful; having been initiated into the great secret — that happiness lies in the absorption in some vocation which satisfies the soul; that we are here to add what we can *to*, not to get what we can *from*, life."

Sir William Osler
